

May 2024
Room 1

Families,

Here we are in the last month of school! It has been a fabulous year making friends and learning new things. We have all grown in so many ways. I am grateful for each one of you and am thankful that you were all a part of this school year! To the students who aren't returning, I wish you the best of luck on your new journey. You will be missed!

Our science focus this month is the flower. We will discuss the different types of flowers and learn the name of each part. In geography, we will study the solar system and outer space. We will explore each planet and discover what makes it unique.

The school year will conclude with Kindergarten Graduation. Our graduation ceremony will be held here, at Montessori Academy, on May 24th, at 10:00 a.m. (more details to follow). We will watch our Room 1 graduates Chloe, Cormac, Calvin and Liam give their speeches and collect their diplomas. Congratulations to our 2024 Kindergarten Graduates. You did it!
