

May 2024
Room 6

Hello parents of our amazing Montessori Stars!

Can you believe it? We're in the home stretch of this school year's journey? Let's make the most of these final weeks as we celebrate the incredible growth our Montessori Stars have achieved!

May is shaping up to be a month filled with endless adventure and discovery. First, we will embark on an epic exploration of North America, the land of endless wonders! From the soaring peaks of the Rocky Mountains to the sparkling shores of the Great Lakes, we will uncover the secrets of this incredible continent. We will also learn about the amazing creatures that call North America home.

Next, we will dive into the fascinating world of transportation. Whether it's the rumble of a locomotive on the tracks, the roar of a jet engine at take-off or even the honk of a car horn in traffic, we will explore how people get from here to there.

Finally, before we set-off on our thrilling adventures, we need your help! Please remember to sign up for snack duty on our board.

With boundless enthusiasm and gratitude,

Ms. Savannah
