

May 2024 Newsletter

Dear Room 6 Families,

It was truly a pleasure to connect with you all during our parent teacher conferences. The endless support from you all is amazing and thank you for all that you do. We as teachers wouldn't be here without you!

May is a fun-filled month with new explorations your child will explore in their classroom. We are going to watch our butterflies grow and release them when they are ready. In and out of the classroom we will be exploring the different wildlife starting to emerge from their winters rest and what spring has to offer for our outdoor environments.

We are also going to be working in the garden this month. If you'd like to contribute to this effort, we are still needing soil and flower pots for our starters. Thank you!

On May 17, you are invited to school for a family community picnic. Please bring a picnic lunch for your family and a blanket or something to sit on.

Happy Birthday Mia, Logyn and Arish!

Units of Study

Artist of the Month: Salvador Dali

We are going to explore Dali's paintings of Surrealism, Modern art and Cubism.

Cultural Focus: Australia (Oceania)

Exploring the culture, food, animals of this continent across the world.

Science: Parts of a Butterfly and Kangaroo
