

June Newsletter

Primary - Room 1

Dear Families,

We are thrilled to welcome your children to summer camp! We have an exciting lineup of activities planned and can't wait to create lasting memories with them. The theme for the month of June will be "[Under the Sea](#)," so get ready for some aquatic adventures and learning. The children will dive into a world of wonder and discovery with our Montessori Ocean Explorers Camp! This unique summer experience will immerse your child in the fascinating world of oceanography - exploring ocean zones, ocean layers, ocean ecosystems, marine animals, and their habitats. Our hands-on exploration will ignite their curiosity and love for science.

As we enter the hotter summer days ahead, please ensure that your children arrive with sunscreen applied for their outdoor fun. During the summer, free dress is allowed, but we ask that children wear shoes with straps for the playground. While there won't be Pizza Fridays hosted by the PTO, we are excited to introduce Popsicle Fridays instead. Keep an eye out for upcoming notices with more details.

We will have Water Days every other Friday. Please ensure that your child arrives to camp wearing their swimsuit and has sunscreen applied. Don't forget to pack a towel and a change of clothes as well. Also, kindly label all of your child's belongings to avoid any mix-ups, as many families have similar items.

We can't wait to make this summer an unforgettable experience for your little ones!
